LAST PAGE

Dear Sir:

- 1) Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98 applicant encloses a Form PTO-1449, copies of the references cited thereon, and a copy of a German Search Report issued in the counterpart German priority application on December 4, 2002.
- 2) This statement is being filed within three months of the U. S. filing date of the present application. No fee is due.
- 3) References AA to AC, AI and AJ are in English and references AG, AK and AM are accompanied by an English Abstract. References AD and AF have been discussed at pages 3 and 4 of the present specification. Reference AF corresponds to AB, and AH corresponds to AC from which the relevance can be determined in English.
- 4) Moreover, the enclosed copy of the German Search Report issued on December 4, 2002 in the counterpart German Priority Applica-

tion indicates the degree of relevance of references AD to AF and AK by category (Y = documents that are relevant as to obviousness when combined with other documents; and X = documents that are relevant to anticipation or obviousness when taken alone). Thereby the requirement for the concise explanation of the relevance of the foreign language references has been satisfied (see M.P.E.P. §609).

- 5) Applicant respectfully requests that the Examiner consider all references of record, return an initialled copy of the enclosed Form PTO-1449 and ensure that all references of record are printed on any patent issuing from this application.
- 6) Favorable consideration and allowance of claims 1 to 21 are respectfully requested.

Respectfully submitted,

Friedrich BOSSLER  
Applicant,
